By Samuel Boon, Signet Breeding Services

Ram breeders and ram buyers can now print Signet's Standard Sale Charts directly from the internet for 26 of the breeds of sheep that record with Signet Breeding Services.

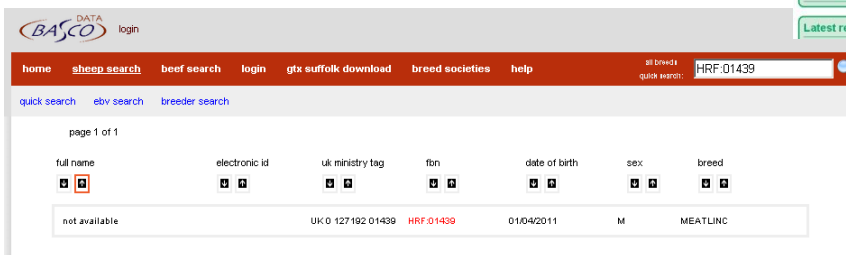

STEP 2 Open the Signet site and click the blue icon within the Sheepbreeder section – 'EBV Search'

STEP 1 Log onto the Internet and type 'Signet Breeding Services' into your search engine

STEP 3 In the "all breeds quick search" box, type the ear number or name of the sheep of interest.

STEP 4 Select the sheep record you wish to view and after clicking on this icon, scroll to the EBV information. Click on the bar chart icon (not the printer icon)

STEP 5 The new chart will appear in a separate window. Go to 'File' and 'Save As...' (to save the image) or 'Print'
