Bull breeders and bull buyers can now print Signet's Standard Sale Charts directly from the internet for those breeds of cattle that record with Signet Breeding Services.

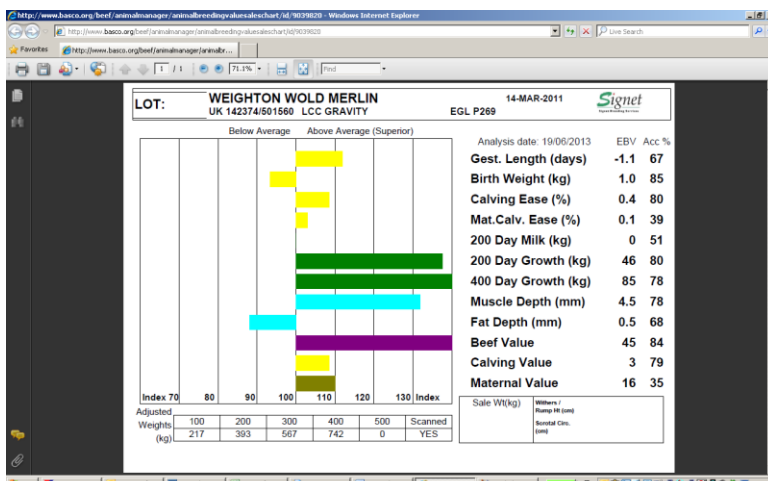

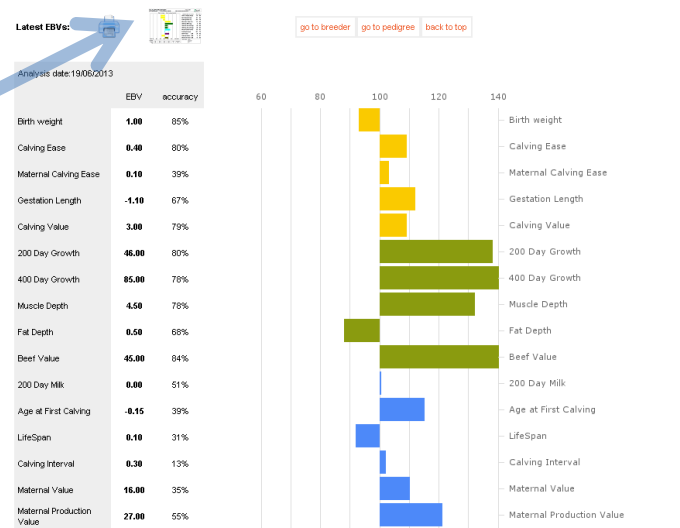

STEP 2 Open the Signet site and click the blue icon within the Beefbreeder section – 'EBV Search'

STEP 1 Log onto the Internet and type 'Signet Breeding Services' into your search engine

STEP 3 In the "all breeds quick search" box, type the ear number or name of the bull of interest. (Note format used for UK number)

STEP 4 Select the record you wish to view and after clicking on this icon, scroll to the EBV information. Click on the bar chart icon (not the printer icon)

STEP 5 The new chart will appear in a separate window. Go to 'File' and 'Save As...' (to save the image) or 'Print'
